## IMPORTANT MESSAGES

**Kia Manawanui – Always Proud. We have so much to be proud of as a school this year, not least how well we have come together and supported each other and been kind to each other. It is really important that we keep our standards and expectations high through these last few days of the 2020 academic year, and that we all finish the year strongly. Make sure you do everything you can to be your best; make your best efforts in class and continue to make safe, sensible decisions you can take pride in. Be kind to others. A reminder that in our school being proud looks like:**

**Wearing correct school uniform**

**Being involved and trying your best**

**Supporting and acknowledging others appropriately**

**Helping keep our school clean and tidy, with rubbish and recycling going into correct bins**

**NCEA Exams have now started for our Year 11 – 13 Students. These are very important for our Senior Students, and they need your support to make them as successful as possible.**

**Exams run from 9:30am – 12:30pm and 2:00 – 5:00pm, and are mostly in the Gym and Auditorium, but also in BES10 some days. Can you please support our senior students by staying away from these areas at interval, and in between classes. This includes at the back of the gym. Thank you.**

**Exams on today are**

**In the morning: L2 Home Economics, Scholarship Japanese**

**In the afternoon: L3 Home Economics**
