GENERAL

- 1. Maths Competitions** – see your Maths teacher or reception for an entry form. All entry fees are due by Friday 24th February.
- 2. Kiwi Buddies.**
Please remember your commitment to being a kiwi buddy means spending morning interval and lunch with your International student and helping them to settle into Kerikeri High School life. It's fun – go for it!
- 3. RECYCLING at Kerikeri High School:**
Paper/cardboard: Every classroom has a green bin for the recycling of paper and cardboard. When full, a student takes the classroom bins to the recycling centre, behind the tuck shop opposite Art 2. Remember to separate the cardboard and paper and put in correct bins.
Glass/plastic/aluminium: The recycling centre has bins for the recycling of these products.
Mobile phones: Old phones can be dropped at ENG9 and will be sent to Starship hospital's fund raising programme. Recycling of your phones helps support Starships helicopter rescue

service. We also have a selection of chargers that are free to take away.

Recycle when ever possible, it saves the school money and reduces landfill waste.

- 4. Buses:** Thank-you to all the students who catch buses after school for lining up so well. Students lining up for buses should be as far to the right as possible. Students are asked not to wait for buses on the ramp, steps and railings outside St Johns. This prevents access for others through this busy area. Students who are not catching buses are asked not to walk through to the front of the school between the Administration Building and the Guidance/Deans/DP building. Please use the Boulevard or the area between the Deans Centre and the Whare. A reminder also that Year 7 students should be in the front of the bus lines.
- 5. Litter:** Thank you to everyone who is doing the right thing with their litter and putting it in the rubbish bins. Please help keep our school environment tidy and clean by putting your rubbish in the bin and picking up any litter you see lying around.
