It has been a very positive term so far. The message we want all of our students to get is to work hard early. Senior students especially tell us that this is a very good habit to develop. We are extremely pleased with the large number of students who are getting involved in so many activities from Kapa Haka to Sailing, Debating, selected as a Class Representative or a Librarian or taking up one of the many sports that are either finishing up their summer season or gearing up for the winter. We have a good attendance at early morning fitness.

Our second Year Seven Peer Support Camp has headed out to Urupukapuka Island with their very enthusiastic Team of Staff, Year Thirteen Peer Support Leaders, and Parent Helpers.
