What our Tai Tamariki say...

Messages from our Tai Tamariki in the Ngāpuhi Matauranga Strategy Consultation

Schools can better meet the needs of Ngāpuhi children by...

- “Encourage you and pushing to you be your best”
- “By getting you involved in Māori culture so you can achieve what you want to achieve”
- “Help push us through boundaries”
- “Support people who learn differently”
- “Push you harder and further”
- “Keep doing what they are doing”
- “Teaching us, encouraging us”

How can Hapu, Marae and Whānau contribute to your success, and that of your Whānau

- “They can explain your culture which might motivate you to try with all your might to succeed”
- “Believe in you, help you, guide you and give you support”
- “Make you do homework”
- “Give you love and support”
- “For me, I would like to see my whanau try and come to my netball games only when they can, that would be nice”
- “Help me learn my whakapapa”
- “They can push me to strive”
