

Kerikeri High School Continuing Assessment Opportunities and External Exam Revision Workshops 2018

Continuing Assessment Opportunities in red indicate an opportunity for students to complete an internal assessment for credits. A Revision Workshop in black indicates where teachers are offering extra preparation for external examinations.

Please check dates and times of examinations against examination slips, the NZQA website also publishes an examination timetable which can be accessed through the following link: <https://www.nzqa.govt.nz/ncea/ncea-exams-and-portfolios/external/national-secondary-examinations-timetable/>

Students are asked to wear correct uniform to workshops and remember that normal school rules will still apply.
