

Our Vision

Success for all across all aspects of school life, equipping every student to reach their potential and be resilient, positive, optimistic lifelong learners.

TAHI Wellbeing

- We strive to create a safe, secure, respectful and inclusive environment for all students and staff, and to be a school our people feel connected to, and feel confident to be themselves in.
- Building on our strong Health and Safety school culture, Kerikeri High School will develop and implement robust Health Safety and Wellbeing, and Education Outside the Classroom (EOTC) systems to support Student and Staff wellbeing while at school and participating in off-site activities.

RUA Teaching and Learning

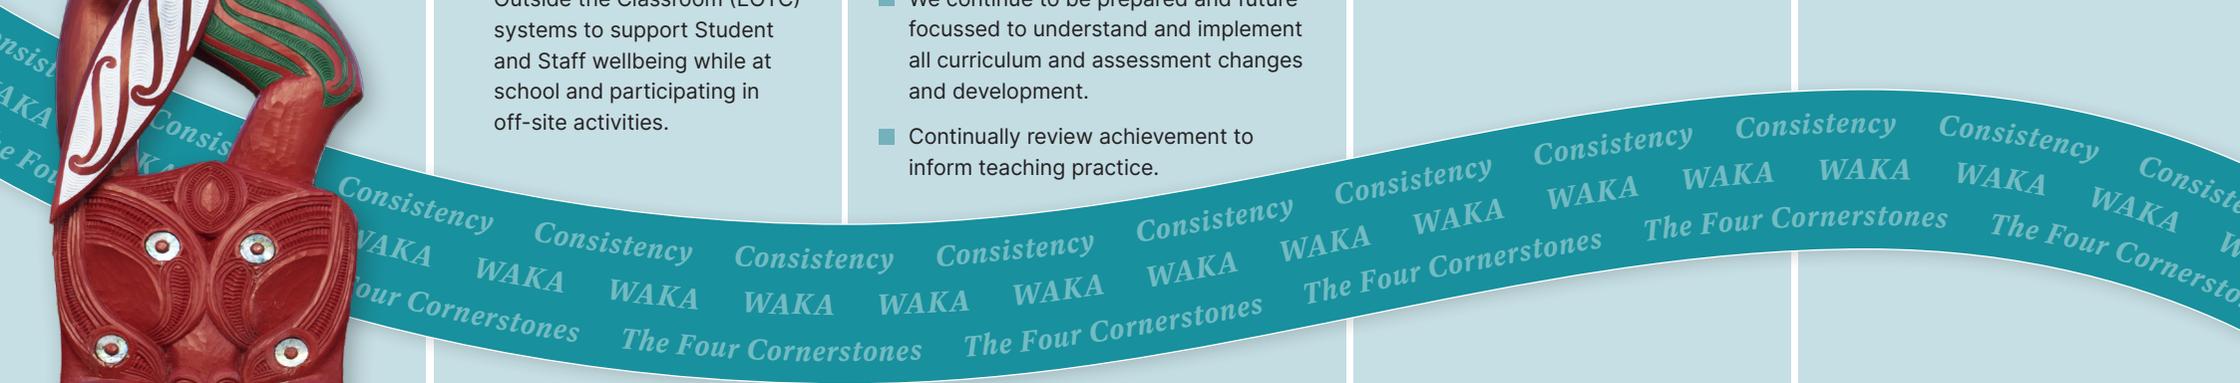

- Our focus is enabling each student to achieve to their potential and to close gaps in academic achievement.
- For Māori to achieve success as Māori,
- We remain committed to our Te Kotahitanga philosophy of culturally located and relational pedagogy.
- We continue to invest in professional learning and development for continual improvement for all staff.
- We seek to maximise learning time.
- We continue to be prepared and future focussed to understand and implement all curriculum and assessment changes and development.
- Continually review achievement to inform teaching practice.

TORU Four Cornerstones

- We will continue to actively promote our Four Cornerstones philosophy across the school.
- We will increase our focus and opportunities for Four Cornerstone participation in Years 7, 8, 9 and 10, to increase student engagement and develop their sense of connection to Kerikeri High School.

WHA Our Community

- We will continue to value, listen and connect with our school community through a range of timely, consistent, and transparent messaging in a way that promotes a collaborative relationship.

The foundation of our Strategic Pou:

Te Tiriti o Waitangi and our commitment to Te Ao Māori, biculturalism, and continuing our journey with Ngāti Rēhia.
