

Our Vision:

Empowering lifelong learners in the pursuit of personal excellence.

Ako tonu kia pūmau te hiranga o te tangata.

GOALS	Deliver outstanding teaching and learning.	Implement the refreshed New Zealand Curriculum, NZCE, and NZACE so that all students thrive.	Strong partnerships between students, school and the community.
INITIATIVES	■ Build a team of specialist staff to support and enhance teaching and learning. ■ Develop and communicate clear expectations for predictable and consistent teaching and learning routines. ■ Accelerate the use of digital tools and opportunities across the curriculum.	■ Equip staff with curriculum and assessment guidance and professional development. ■ Develop and initiate Year 12 Ag Hort Science/Ag Hort Business Programmes. ■ Enhance senior courses to support senior students into vocational pathways. ■ Critique and enhance our timetable structure.	■ Strengthen the school's connections in the wider Kerikeri community to grow support for the school. ■ Investigate and develop a differentiated approach to pastoral care for Year 7 & 8 students. ■ Establish and develop a House system across the school. ■ Sustain our connection with Ngāti Rēhia. ■ Increase connection with alumni.
SUCCESS STATEMENT	<i>Outstanding teaching and learning so that all students experience high-quality teaching and learning in calm, focused classrooms, supported by expert staff, clear routines, culturally responsive practices, effective use of digital tools and regular review of achievement data across the curriculum.</i>	<i>Staff are prepared, confident and ready to deliver the refreshed curriculum and qualifications within a fit for purpose timetable structure, and students engage in diverse, high-quality programs that prepare them for successful transitions beyond school.</i>	<i>Our school is deeply anchored in the Kerikeri community, fostering strong connections with local iwi, alumni, and community groups. Students are connected and enjoy a sense of belonging through a well-established House system and a differentiated approach to pastoral care for junior students.</i>
