Far North Regional Science Fair Results

Principal's Message

Kia ora koutou,

As we approach the end of Term 3 and the worst of winter weather is hopefully behind us, there's a palpable sense of energy and purpose throughout the school. By way of example our recent School Science Fair has shown us all what's possible when we get stuck in, work with focus and apply ourselves. As a result, we enjoyed another impressive showing at the Far North Regional Science and Technology Fair with some outstanding results. Well done to all our students who were selected to represent us at the Regional Science Fair, and congratulations to all our winners.

We are also celebrating our success in the Performing Arts, with a very successful School Music Concert recently, and a highly entertaining Year 10 Drama performance. And significantly at the weekend our performers won 7 out of the 10 awards and the overall Prize in the Regional 48 Hour Dare to Devise Competition. This is our first time winning this competition, and I know there's more success to come.

Our Year Level Speech Competitions were outstanding, and congratulations to all our finalists and our Year Level winners. The standard of speeches presented this year was exceptional. Congratulations to **Craig Wilson** in Year 12 who was awarded the Jock Hodgson Memorial Trophy. Our thanks as always to the Rotary Club of Kerikeri for their support and commitment to our annual Speech Competition.

This week, we send our best wishes to the many student athletes representing Kerikeri High School at various Winter Tournaments across the North Island, from New Plymouth to Whangarei and Auckland. Next week, our Year 7 and 8 teams will head to the AIMS Games in Tauranga. We know our students will represent us with pride, both in their performance and their sportsmanship. Our thanks to all the coaches, managers, staff and parents who make these opportunities possible.

For our senior students in Years 11, 12 and 13, the focus now shifts to preparation for the upcoming mock examinations in Weeks 8 and 9. These exams are a crucial dress rehearsal for the NCEA externals. They are a valuable opportunity not only to test knowledge and understanding but also to establish effective study and revision habits. I encourage every student to use this time to reflect on what works best for them: when do you focus best—morning or evening? Do you revise better with or without quiet music? Experiment now to find the routine and good working habits that will help you achieve your best results.

Our students in Year 10 will be sitting their Literacy and Numeracy Common Assessment Activities in Weeks 8 and 9. These assessments are part of the NCEA framework and are intended to ensure that students have the essential reading, writing and mathematical skills to be successful in NCEA and beyond.

Finally, I want to extend a sincere thank you to our current Board of Trustees members for their dedicated governance and service, hard work and commitment to Kerikeri High School over the past three years. Their guidance and support are invaluable to our school community. As their three-year term comes to an end, voting is now underway for the next three-year Board of Trustees cycle. I urge all parents to read the candidate statements and take this important opportunity to have your voice heard by casting your vote.

Nga mihi,

Mike Clent
Principal

Student Achievements

Congratulations to Te Pou o Manakō who performed at Tōkihi ki Tua, Te Tai Tokerau Secondary School Kapa Haka Regionals at Papa Hawaiiki, Kaikohe earlier this month. Our roopū dedicated themselves to preparing for this event, committing many many hours to practices leading up to their performance.

Te Pou o Manakō placed 2nd equal for Te Reo.

Ātahikoia Smith (Year 13) placed 2nd equal for Kaitātaki tāne.

Te Pou o Manakō placed 4th overall (1st, 2nd, 3rd placings were all Kura Kaupapa Māori), so we were first out of all the Kura Auraki – Mainstream Schools.

A huge mihi to the teachers and tutors, plus all the whānau, hapū and kaiako who gave their support throughout the whole campaign.

Here is the link to our roopu's performance: [Te Pou o Manakō](#)

Congratulations to the Kerikeri High School 1st XI Football Team who remained undefeated in the Northland Secondary Schools' Midweek Tournament and won the final against Whangārei Boys High School, making them this season's champions.

Congratulations to **Craig Wilson** (Year 12) who was the winner of the Rotary Speech Competition.

Congratulations to our Deputy Head Boy **Kosta Silich** who has been selected as a Finalist in the National Rockquest Solo/Duo Competition. He will join six other competitors from around the country in Auckland for the event on September 11th.

Kosta was also chosen as a finalist in the Play it Strange: Peace Song competition and will record his song 'Take Me Back' at Roundhead Studio later this year to be included on their album release.

Kosta is also a finalist in their main Play it Strange Song Writing competition with his song 'Easy Lovin' which will also be recorded courtesy of the Play it Strange Foundation.

Congratulations to all the Year 12 and 13 Business Management students who attended the Young Enterprise Trade Fair at the Packhouse Market on 17th August. It was an exceptional Trade Fair with 70 YES student business from around the region attending, including 20 from Kerikeri High School. All the students involved did an amazing job creating inviting stalls and talking to all the

customers that came along to support the event despite some wet weather.

Ben Burges (Year 13) was placed 3rd place for his business 'Foto Lab'. Ben has built a photo booth that allows users an opportunity to experience a traditional 'photo booth'. Year 12 students **Whitiara Brady-Brown** and **Kauri Hoani** were voted 2nd Best Stall by the shoppers at the market in the People's Choice Award. Their business, 'Kumika', sells kawakawa and kūmarahau gummies that use rongoā Māori to help with immunity and winter coughs and colds. **Lucy Davidson** (Year 13) was recognised individually for Outstanding Customer Service. She is part of a business, 'Tidy Trips', that creates car bins from recycled materials.

Congratulations to **Kerikeri High School's Premier 1 Pōkaka Team** who came 1st in the Northland Secondary Schools Sports Association Netball Championship and the **Kerikeri High School Premier 2 Te Wairoa Team** who came 1st in the Cup competition.

Congratulations to all our Kerikeri High School Netballers and a huge thank you to all the coaches, umpires, and supporters who helped ensure our Netballers had a wonderful season.

The following are results from the Finals for Round 2 played at the Kerikeri Netball Centre.

Kerikeri High School's Premier Netball Team Pōkaka went into the Premier Final's game undefeated in Round 2. Playing against a strong Bay of Islands College team, our Premier Team placed second (30 vs 35).

Our **Premier 2 Team Te Wairoa**, made up of Year 10 - 12 students, played in the Premier 2 Final against a Penekahi Netball Centre team, coming second in a nail-biter game (32 vs 31).

In the A2 Grade Finals our **Year 9A Team Toa** played against a Bay of Islands College team, coming second (30 vs 18).

In the B1 Finals, **Kerikeri High School Tui** played against a Penekahi Netball Centre team, coming second (33 vs 29).

Congratulations to the **Kerikeri High School Year 10 Kotuku Team** that played in the B2 Grade Final against a Kaeo Netball Club team, winning 26 vs 21. This made them the B2 Grade champions for the season.

Also playing in the B2 Grade Final was the **Kerikeri High School Kereru Team** playing against a Springbank School team, coming in third place (17 vs 3).

The following results are from the 2025 season at the Kerikeri Netball Centre.

Voting closes at **4.00pm** on **18 September 2025**.

Music Department Showcase Concert

Last week saw the Music Department students perform two concerts for Riverview School and Kerikeri Primary School and an evening Showcase Concert for whānau and friends. These concerts featured approximately 50 students from Year 9 to 13, delighting their audiences with a range of instruments and a variety of music styles. Many of the performances were for Senior Music assessments as well as items from our Music Itinerant Programme and recent Rockquest success.

Commerce Trip to Ngawha Innovation and Enterprise Park

Year 11 Commerce students recently visited the Ngawha Innovation and Enterprise Park in Kaikohe. Students learnt about the diverse range of businesses and organisations operating from the Park including Kaikohe Berries, Natural Products Enterprises, and educational providers such as Te Pūkenga. The visit highlighted the positive impact these businesses are making on the local economy and community, while also showing our students a range of exciting career and business opportunities available in Te Tai Tokerau. A highlight of the day was a stop at Kaikohe Berry Farm, where students got a taste of how innovation and entrepreneurship can thrive here in our region.

Aotearoa School Library Week

During Aotearoa School Library Week, Julia Smith our Library Manager and the Student Librarians organised a variety of activities and quizzes for students to participate in throughout the week. 334 mini book-covered chocolates were handed out to our readers and Comic artist Oscar Fong visited. The winner of the poster competition was **Clementine Woodiwiss** (Year 7).

Year 11 – 13 Mock Examinations

Mock Examinations for Year 11 – 13 students will be taking place from Tuesday 2 September – Tuesday 9 September inclusive. During this time, Year 11 – 13 students will be on study leave, and normal classes will not run for them. Students will only be required at school when they have an examination or assessment scheduled.

The purpose of these examinations is to give students an opportunity to sit practice external assessments in a formal examination setting, complete work towards externally assessed portfolio work, or work on internal assessments if a subject does not have any external assessment.

The grades from these practice assessments may also be used to support derived grade applications at the end of the year should a student either be unable to sit their NCEA examinations or feel that their performance in an examination has been impaired, for reasons beyond their control. More information about derived grades will be provided in Term 4 to students and parents.

Additionally, opportunities for students to complete the new NCEA reading, writing and numeracy assessments are scheduled for students who are yet to meet these requirements.

Morning sessions run from 9.00am – 12.00pm and afternoon sessions from 1.00pm to 4.00pm.

Students should be at school, outside the scheduled room, at least 10 minutes before the start of a session. A study room will be available for students at school for silent study.

Normal classes for Year 11 – 13 students will resume on Wednesday 10 September.

These examinations and assessment opportunities are an important part of the year, and we will be supporting students to make the most of this opportunity as they progress through their NCEA qualifications.

A copy of the examination timetable is available on the [Students Quicklinks](#) page of our website, and via the school app.

Year 10 CAAs

In Weeks 8 and 9 of this term, our Year 10 students have the opportunity to participate in the Common Assessment Activities (CAAs), which are an important part of the NCEA framework. CAAs are a new, centrally-developed, and online way for students to demonstrate their literacy and numeracy skills.

The main purpose of the CAAs is to ensure all students have a strong foundation in reading, writing, and mathematics before they move on to more advanced studies. Successfully completing these activities is a co-requisite for achieving any NCEA qualification—Level 1, Level 2, or Level 3. This means that even if a student earns enough credits to pass NCEA, they won't receive their qualification until they have also passed the literacy and numeracy CAAs.

We are offering these assessments to our Year 10 students this year to give them an early opportunity to meet this requirement. If they pass, they won't need to worry about it in future years. If they don't pass, they will have plenty of time and support to prepare for another attempt. These assessments are not pass/fail in the traditional sense; students

are simply required to demonstrate their proficiency. The results will be reported as either "Achieved" or "Not Achieved" for each of the three components: reading, writing, and numeracy.

We believe that early engagement with the CAAs will give our students a significant advantage as they transition into the senior school and begin their NCEA journey.

New School Jackets

Dear Kerikeri High School Families

We have experienced some faulty prints of the School Crest on the back of the school jackets and would like to investigate this further. We understand it's cold and wet, and you may not want to part with the jacket at this time. Please fill out this [Google Form](#) so we can collect the necessary information and devise a plan to replace your jacket, ensuring that we do not replace your faulty jacket from a faulty batch.

*Thank you,
SAS and The Uniform Shoppe*

Government's School Donation Scheme

The Kerikeri High School Board of Trustees has again opted into the Ministry of Education's School Donations Scheme for 2026.

Parent and Caregiver Logins

A reminder that authorised Parents and Caregivers can now login to FACTS, our student management software. This will allow you to view your student details including their timetable,
