So you thought the library was a safe place?

Where murders are only committed in ink?

Think again.

A murder has been committed in the library.

There are three suspects.

Plenty of clues.

Will you be able to solve the murder?

Who did it? Why? How?

2. Catch Teachers Reading

Look out for duty teachers with books during interval and lunch.

Ask their name and the book title, write it down, then pass it to library staff to claim a lolly or biscuit.
