## **IMPORTANT MESSAGES**

**WAKA Act with Respect – Manaaki te tangata.** Today is the last day of Term 3. It has been a very unusual and challenging Term for us all and we are all deserving and looking forward to a good break over the next two weeks. We have stuck together in Term 3 as we have faced some tough times, and we have worked hard. We have done really well as a School. Thank you everyone for the positive part you have played. It is now time to treat yourself to some respect – look after yourself during the break and recharge. Respecting yourself might include getting quality sleep, eating well and getting outside and hopefully regular exercise. It is also getting quality time with family and with your friends, and for some it will be relaxing with a trip away to other parts of Aotearoa New Zealand. For seniors having this time is especially important as you have been working so hard. This break is also a good time to be planning for Term 4 to position yourself you have every opportunity to do your best over the last few weeks of the school year as we head into Senior Prizegiving and Externals. Have a very relaxing, safe break everyone.

Anyone with any information about the ongoing damage to our student toilets can see a Deputy Principal in confidence. The deliberate vandalism to toilets is unacceptable and costly and anyone who is identified as being involved with this can expect serious consequences. In our School we Act with Respect and this behaviour is not respectful of anyone.
