IMPORTANT MESSAGES

**Ma tini, ma mano ka rapa te whai
obtained**

By many, by thousands the object is

WAKA Act with Respect – Manaaki te tangata. Our School has invested a lot of money, including some raised by students through Workdays, in providing Chromebooks for classes to use across the school. We all use them a lot in our classes. It is unacceptable that they be deliberately damaged. This costs us all. We expect every student who uses a school computer or a Chromebook to treat it with respect. That clearly includes not removing or deliberately damaging keys. If you choose not to act with respect and you are involved with deliberate damage to a school computer or Chromebook, you will face serious consequences. The actions of a small number of students are having an impact on many of us; if you see or know who is responsible for any damage, please quietly let your teacher know.

GENERAL

- SAVE ENVIRONMENTAL CLUB today, learn how to separate strawberry plants, and hopefully take one home! Beeswax wrap making will also be available and we need your ideas for our future workshops and events! DVC1 1.15pm start.
