You will have an opportunity on both of these evenings to sign up for Keri News. Remember our Newsletters and Keri News posts are on our website www.kerikerihigh.ac.nz

Standards Alignment Day

The Minister of Education has mandated two days for secondary schools so that they can implement the revised NCEA Achievement Standards aligned to the New Zealand Curriculum. The second of the days for Kerikeri High School has been determined by the Northland Secondary Schools and Whangarei schools decision to collaborate to enable Teachers to work together in their subject areas with NZQA Moderators and Subject Advisers.

This NCEA Standards Alignment Day will be the first day of Term Two, **Monday 6 May and Kerikeri High School will be closed for all students.** Kerikeri High School has to fit in with this regional arrangement

We regret any inconvenience for families that may be caused by the Standards Alignment Days however if Kerikeri High School is to continue to achieve the outstanding pass rates of the past few years it is essential that our Teachers are as prepared as possible to teach the new aligned Achievement Standards.

Yours sincerely

E A Forgie (Mrs)
Principal
