

# You can Help Support Your School

## Fuel for Schools

**How it works:** Fuel for Schools is a school sponsorship programme that provides all schools throughout New Zealand with an innovative way to raise additional funds. Southfuels & Northfuels developed the Fuel for Schools programme as a way of supporting the rural communities where the majority of our customers reside. We set aside a portion of our marketing budget each year to absorb the costs of the donations so our customers are not charged a premium on their fuel for participating in the programme. It's our way of saying thank you and putting something back into the community.

Southfuels & Northfuels customers can choose to nominate any school of their choice. The nominated school will receive 1 cent for every 2 Litres of bulk fuel that Southfuels and/or Northfuels delivers to the bulk fuel customer. Southfuels and/or Northfuels then issues cheques to all the nominated schools quarterly so the more participants the more the school earns. Just visit the website <http://www.southfuels.co.nz/fuel-for-schools/> to nominate your school.
