# Student Council Midyear Newsletter

03/07/2018

The Student Council is a student-based group who are representatives for the students' voice and involvement in some school decisions. We meet fortnightly to address issues in the school that have effect on the student body. Communication through Class Representatives is important to let the Council know of student's ideas and opinions for the betterment of the school.

This year our Chair People are Head Students, Issy Joe and Shine Fulton, our Secretary is Leah Green (12), our Treasurer is Lyndon Wan (7). The other members are made up of the Deputy Head students Reece Noorwalla and Bryna McCondach, and our Year Level Representatives Hazel Kay (8), Lucia Avery (9), Mila Urlich (10) and Emily Lyall (11). Mr Clent is the Deputy Principal member of the Student Council this year.

The spending of the money raised annual from the school's major fundraiser, Workday, is decided by the Student Council. Class Representatives and Year Level Prefects present ideas and suggestions from across the school to Student Council to help inform spending decisions.

The money collected from Work Day has given us the funds to be able to make student focused changes around the school. This year we are looking at spending the money on:

- A new rain proofed covered way along the side of Te Puna Waiora, the new Student Centre, for students who are waiting for buses
- New rain proofed covered way outside of English 1 for students waiting for parents to pick them up
- More benches and picnic tables around the school fields
- A set of new piupiu for the Kapa Haka Roopu

We hope these areas will benefit you at school as it is through your contribution that we can make these improvements.

Another aspect of the Council is funding assistance for school-based groups. We encourage any written requests for funding to be given in to Reception for the Student Council to consider. Student Council raises funds to make this assistance possible through school mufti days and we encourage you to contribute by making your gold coin donation.

We hope you enjoy your holiday and remember to keep a lookout for the Student Council's influence around the school in the coming terms.
