Kia ora Parents, Whānau, Staff and Students

Term 2 is coming towards its conclusion, and it has been an extremely busy 10 weeks across our School. A lot of hard work and effort has happened in our classrooms and across a wide range of Four Cornerstone activities. The diverse range of student achievement and success we recognise in each of our Newsletters reflects this and we have lots of reasons to feel very proud as a school community.

Our News Letters are emailed out to all parents, staff and students and you can find copies of previous News Letters on our School Website under the 'What's Happening' tab on the main page. You can find this link here [News Letter Link](#)

School Ball

Our formal Ball is one of the highlights of the year for many of our Year 11, 12 and 13 students. This year's Ball is being held on Saturday 31 July. We have a large number of senior student volunteers on our Ball Committee, and they are working hard to create a fantastic event for everyone. We especially appreciate their commitment to the physical transformation of our Auditorium and other areas during the second week of the school holidays. Parents with students attending the Ball will receive a letter with more information about arrangements and expectations for the Ball during the first week of Term 3, after ticket sales have concluded.

PTA and the School Ball

As always, our wonderful PTA will be preparing and serving the delicious supper our students enjoy at the Ball. The range of food and its presentation is always exceptional and looked forward to by everyone. Donations of home baking for the Ball from our parents and caregivers from all year levels, are much appreciated and plays an integral part in the overall supper. Our PTA would love items such as brownie, slices, truffles, coconut ice or anything sweet and bite-sized and they can happily supply you a recipe if needed. If you are able to help, please email shelleylicott@gmail.com

The PTA also require volunteers to help with food preparation, plating, serving and clearing on the night of the Ball. Food preparation starts at 3.00pm for an hour or two and there are other jobs throughout the evening. If you are able and happy to help, please email shelleylicott@gmail.com with the times you are available. Thank you so much for all your support.

Term 2 Progress Reports

Term 2 Progress Reports will be emailed out to Parents and Caregivers for all students at the end of the day on Friday 9 July. Please keep an eye out for these reports in your inbox. If you do not receive one on Friday, please check your "junk mail" in case the email has been directed there by your mail filter. If this happens, please consider adding noreply@kerikerihigh.ac.nz to your "safe senders" list so that future emails from this address will land in your inbox. Reports will also be available through Students' Spider Portals in the Documents tab from next week.

Uniform Review

It is time for the School Uniform Review, and we invite parent, student and staff feedback about our School Uniform. A link to the Uniform Review is here and we ask you take a few moments to share your feedback with us. [Uniform Review Link](#)

Board of Trustees Self Review

Our Board of Trustees invite parent, student, and staff feedback on the School's Policy on Bullying, which has been redrafted for consultation. We acknowledge bullying happens in our School, in our community and nationally. Bullying is unacceptable at Kerikeri High School. Bullying behaviour causes harm and is understandably an emotive and upsetting experience for students and their parents when it occurs.

We work hard to address this behaviour and we work hard to prevent bullying. You can be reassured we do not 'sweep it under the carpet'. Young people often feel reluctant to share with a safe adult when they are experiencing bullying, for fear of making it worse. We want every person in our school to have a safe adult they can confide in and turn to for help. Most often for our students that will be a Parent. Parents and Whānau, please contact us if you become aware of bullying behaviour. We will help.

There are a range of people in our school who parents and students can talk to, including any staff member who teaches your child, a Form Teacher, Year Level Dean, Guidance Counsellor, Deputy Principal, Associate Principal and Principal. We are here to help, and we encourage you to contact us if you have concerns.

You can find our new [Draft Policy on Bullying here](#), and we welcome your feedback. You can share your thoughts with us by following the link at the end of the Draft Policy on Bullying.

In addition to this News Letter we will be encouraging our students to give us feedback on both the Uniform Review and the Policy on Bullying through our Daily Notices.

Communication

As we say above, there are a range of people in our school who parents and students can talk to:

- Your Child's Teachers
- Form Teachers
- Year Level Dean
- Our Guidance Counsellors
- Deputy Principal
- Associate Principal and Principal

Just ring Reception on 09 407 8916 and we will put you in touch. If it is a governance matter you can contact our Board of Trustees at board@kerikerihigh.ac.nz.

The date for our next Board of Trustees meeting is Wednesday 4 August 2021 at 5.30pm.

Kerikeri High School Student Sports Council

This year has seen the formation of a Student Sports Council which has 24 student members who meet regularly and discuss "how to make the sporting experience better at Kerikeri High School". The Sports Council represents all students, and its members help implement changes to existing events, are establishing new events on our Sport calendar, help run school events, promote school sport at Year Level Assemblies and present certificates. They are also actively promoting "Balance is Better" philosophy and encouraging students to participate in a wide range of activities.

New Zealand School Libraries Report

The Ministry of Education is working to create a report highlighting great practice in New Zealand school libraries. Twelve school libraries were selected from around Aotearoa as examples of high-functioning school libraries and Kerikeri High School was one of these. We thank our Student Librarians and our Library staff for the excellent job they do.

Year 11 Market Day

On 30th June, the Year 11 Business Management students had a small Market in the school auditorium. The students involved put a lot of effort into planning their businesses and producing their products. This teaches them useful skills and also gains them NCEA credits. The Market Day was a great success with lots of the groups selling out by the end of the Market. Congratulations to all the business management students.
